Postal History of the U.S. Possessions

Journal Advertising Rates

Our journal, *Possessions*, is published quarterly for our current 150 members; but we are attempting to rebuild this closer to our >500 members in the 1980s. If you deal in stamps or postal history of the U.S. Possessions, we hope that you will consider advertising in our journal.

Display advertising is accepted only from USPPS Members, but if you are familiar with our past advertising rates you will notice that they have been reduced. In addition, to encourage dealer membership we will list dealer members on our new website <http://www.uspps.net/> for no additional cost whether you advertise in the journal or not.

Display advertising rates:
