1942 Japanese Occupation Overprints

1928 London Orient Flight

These Philippine Ordinary stamps were overprinted in Manila to commemorate the arrival of the RAF Group Captain Henry Meyrick Cave-Browne-Cave, Officer Commanding, the British **Far East Flight**.

The Squadron consisted of four "Southampton" dual float, bi-planes. The Squadron departed England on October 14, 1927 and it arrived in Australia on June 1, 1928. In the fall of 1928, the Squadron was permanently based at Singapore and from there explored possible routes to Hong Kong via British North Borneo and the Philippine Islands. On November 9, 1928, the Squadron departed from Puerto Princesa at Palawan Island and flew to Manila. The Squadron departed Manila on November 16, 1928 and flew to Cabugao en route to Hong Kong.
